## Remember!

- Tie all bags with a double knot
- Blue bags for plastic packaging
- Green bags for food waste
- Normal shopping bags for residual waste
- Put all the bags in the same bin, marked for this purpose
- Loose and oversized waste should not be put in the bin but brought to a recycling station

Collect a supply of blue and green waste bags free of charge from most supermarkets

Remember also to separately sort glass and metal packaging, paper/cardboard, hazardous waste, EE waste and garden waste. Clothes and shoes that are not worn out can be handed over for re-use.
